MMR_0442 Mark Preussler

Model railroading is the "king of all hobbies" according to Mark Preussler, owner of Mark's Model Railservices. "It's hard to explain to non-modelers what the hobby is all about, but when they see pictures of fairly complete layouts, it comes into better focus and that's sometimes a starting point in the hobby for them", says Mark.

Mark Preussler is the owner of Mark's Model Railservices. He is still producing outstanding model railroad equipment. His experience as a Master Model Railroader helped him in getting where he has. You can find him online.

Mark Preussler is a Master Model Railroader (MMR) who has achieved the highest level of recognition in the model railroading community. The Master Model Railroader (MMR) title is awarded by the National Model Railroad Association (NMRA) to individuals who demonstrate exceptional skill, knowledge, and dedication to the hobby.

It's impressive to see enthusiasts like him contribute to the artistry and craftsmanship of model railroads!

It is the obligation, responsibility and duty of an MMR to educate, advise, assist, train Achievement Program (AP) participants. When a person earns an MMR, it is a new beginning with each MMR doing their part in promoting the hobby of model railroading to future modelers and all interested parties.
